Shipping Weight: 1.3 pounds

Average Customer Review: 4.7 out of 5 starsÂ Â See all reviewsÂ (6 customer reviews)

Best Sellers Rank: #858,145 in Books (See Top 100 in Books) #129 inÂ Books > Cookbooks, Food & Wine > Regional & International > U.S. Regional > New England

## Customer Reviews

Our copy of Good Maine Food shows it's wear and tear of 10 years of good use. The first printing was in the same decade as the first "Joy of Cooking". But unlike "The Joy..." it hasn't been ruined by a recent re-editing, Good Maine Food still makes no reference to microwave ovens or any problem with butter or lard. Hooray for them. It gives the best pancake recipe, wild duck recipe and home corned beef. As Maine goes so goes the Country...this is a downright great cookbook.

This is a great book that was published in 1939. It has interesting stories and recipes. I love the variations and history for each food type. Back to basics, real ingredients, and historical elements. I purchased this for my older brother whom owns a restaurant. I thought he would enjoy the historical elements behind the food. I almost didn't give it to him because I wanted to keep the book and make some of the recipes that were new to me. I'm going to order one for myself. This cookbook could be a standard gift for your couples interested in cooking.

Enhanced with "spicy commentary" by Kenneth Roberts, Marjorie Mosser's Good Maine Food is a superb regional cookbook that emphasizes good, wholesome, filling food for appetites that are sound and sturdy. From Curried Oysters, Ham and Veal Loaf, Baked Winter Squash, and Fish Hash, to Broiled Honeycomb Tripe, Sour Cream Gingerbread, Molasses Icebox Cookies, and Maple Syrup Pie, Good Maine Food is a 424 page compendium of culinary delights that are dependable

appetite pleasers for any meal or occasion.
