## Customer Reviews

I have gotten a little rusty and photographic tastes have changed a little since I began shooting 30 years ago. It was good to get some fresh ideas.

The photos are interesting and show the author's view on relaxed and casual, yet chic and intricate, weddings. An important day, for all involved, this book has advice for the first timer and age-old pro. This will give insight on what to expect, and how to prepare, and of course, inevitably compromise. Well written, entertaining, and full.
