Box Turtle Care: The Complete Guide To Caring For And Keeping Box Turtles As Pets (Pet Care Expert) (Volume 1)

Synopsis

Box Turtle CareThe Complete Guide to Caring for and Keeping Box Turtles as Pets At Pet Care Expert, we had a very simple idea about how to create the best possible pet care books around. We don't just give you one person's opinion or have 1 person write our books. We had the simple thought that the best way to provide our readers with the absolute best advice on caring for any animal is to put together the collective knowledge of animal experts from all around the world, so that's exactly what we did! With every book we write on each and every animal, we consult with experts on that particular animal or species from all around the world. The people who advise us and provide us with this valuable information range from everyday people who have had many years of experience keeping the animal in question right through to professionals such as zoo keepers and veterinarians. This enables us to provide the highest quality information possible and ensure that our books are packed with invaluable content for our readers to enjoy. We don't just cover the basics and essentials either, we specifically ask for 'top tips' from our experts, providing a range handy tips and tricks that we throw in throughout the course of the book.
