The Complete Surprise: Knitting Elizabeth Zimmermann's Surprise Jacket

Synopsis

The Complete Surprise is truly a complete guide to Elizabeth Zimmermann's Surprise Jacket - filled to the brim with exciting projects for absolute beginner to experienced knitter! Most people learn to knit by making a simple scarf. The Complete Surprise uses this approach, with a twist: New knitters start with a Surprise Scarf, knit with a unique shape and incorporating all the basic knitting techniques needed to make Elizabeth Zimmermann's iconic Baby Surprise Jacket. Move from the Scarf to the Baby Surprise Jacket and knit one of the most popular knitting designs ever, with a wealth of optional variations. Add colors when and where you like, to create a one-of-a-kind look. Next try the brand-new variations: Surprise Dress, Surprise Bolero, and Surprise Snuggle Suit, along with the classic EZ Surprise Booties and Surprise Bonnet. Plus, with the author's revolutionary analysis of Elizabeth Zimmermann's design and new approach to sizing, the book enables you to knit a Jacket of any size (Adult, Baby or Child) that is custom fit (in body circumference, body length, sleeve depth and sleeve length) using the wool, needles and gauge of your choice! Advanced knitters can incorporate new options from a curved neck to waist shaping, and the colorful Circular Stranded Surprise Jacket is covered in detail.

I love anything and everything EZ. This book is a welcome and useful addition to my collection. It is packed full of helpful information and tips. A fascinating read for any knitter and a real treat for EZ fans. SHP has also published a Surprise Jacket Calculator, available to download from their website, that complements the information in this book. I haven't bought it yet, but I certainly intend to do so soon.

I'm very pleased and it was exactly what I expected!

It a good book
