Customer Reviews

Nothing adds to a summer evening get together like the sparkle from a good cocktail. *Summer Cocktails* is an aesthetically beautiful book that helps you provide just the right drink for any occasion. The drink recipes are well organized and easy to follow. I love the suggestions for variations and the helpful hints and background information provided. *Summer Cocktails* is a complete and handy guide that even offers instructions on how to set up your bar, perform basic culinary feats such as shucking oysters or brining pickles, as well as recipes for tasty snacks to accompany all the marvelous concoctions you will be pouring. My only regret is not finding a Mojito recipe among the beautiful pages of this book. But, maybe that is just a hint that it is time to expand my cocktail selection to one of the other tasty tipples inside. Cheers! Thank you to the publisher for

providing a copy of this book in exchange for my honest review.

This is a gorgeous recipe book. The photos are beautiful and there is a fantastic compilation of drink recipes, and some yummy apps / barbecue / cookout friendly recipes at the back too! I made the sangria recipe recently and it was delightful. The sour mix was amazing though - I've used it in several other drink recipes too (great base for smoothies / summery slushes)!

This beautiful book arrived during a rainy week and brightened up my day! The recipes are simple, and I love the tips on how to easily make turn one drink into another. The pictures make me want to throw a party. I think that Summer Cocktails would make a lovely gift!

I received a review copy of this book. Your summer cocktail needs will be covered with this book that is full of fun recipes. I made the salty lime soda, and it was fantastic!

Great little summer cookbook. Nice recipes and photos to inspire.

Nice pictures, nice cocktails. Good book.

Good purchase. Shipped quickly.

EXCELLENT ideas!
