Customer Reviews

Embroidery is so vast and there is just so much you can learn. Judith has brought together her vast knowledge to share it with you. It's an honour opening up this book. The book has been designed beautifully. I love the fact that it is spiral bound and it makes it so easy to keep it open on the instructions you are reading and following. Judith takes you through all the basics they you could ever possibly need. I am new to embroidery but I am amazed at the vast array and amazing things you can do with it. The quantity of different materials you can use to create so many different amazing effects. I love the fact that Judith also shares her knowledge and tips on everything, including how to store your tools and materials. This book is so much more than just an instruction book. My favorite section of all is the design ideas section. Judith makes you want to pick up your pencil and start to put down your ideas. I love the fact she makes it look so simple and already shows you how using different methods and materials, you can create some amazing effects. The embroidery stitches are

taken through step-by-step. You have clear broken down instructions as well as pictures and diagrams to support you and to help it easier to follow. I just couldn't believe there are so many amazing stitches to learn! Whether you are wanting to create your own embroidery designs or you want help with your projects, you are sure to pick this book up time and time again to support and guide you. This book really is an inspiration.
