101 Breakfast & Brunch Recipes (101 Cookbook Collection)

Synopsis

There's nothing better than treating your family to a delicious breakfast. Whether it's a sandwich on the go or a huge stack of pancakes on a sunny Sunday, breakfast is a meal everyone loves. With over 100 budget-friendly (and tasty!) recipes, 101 Breakfast & Brunch Recipes is sure to make all your mornings bright! When your morning is full of hustle & bustle, everyone can still enjoy a wholesome, tasty breakfast with dishes that are ready in a jiffy. Try Melon Berry Bowls, Speedy Huevos Rancheros and Slow-Cooker Breakfast Casserole. When those lazy weekend mornings roll around, sit back and enjoy worth-the-wait breakfasts like Bacon & Egg Potato Skins, Red Velvet Pancakes and Farmers' Market Omelet. Invite everyone over for brunch and delight them with Apple-Walnut Coffee Cake, Festive Corn Tortilla Quiche and Mom's Cheesy Hashbrowns. There's even a chapter dedicated to those decadent breakfast baked goods like Peanut Butter Crunch Coffee Cake, Cranberry-Orange Scones and Hot Chocolate Muffins! With beautiful, full-color photos for every dish, you'll know exactly what to expect. There's so much mouthwatering goodness packed into 101 Breakfast & Brunch Recipes, this cookbook is sure to make waking up each morning a delight! Durable softcover, 112 pages. (8-1/2" sq.)

Customer Reviews

This is such a cute cookbook, and I needed one for a "breakfast with the bride" shower. We had the guests sign the book and put their advice. Now whenever the bride uses it for years to come she will see it. I made a few of the recipes for the breakfast shower and everyone loved them! They were all

asking for the recipes. Everyone also commented on how they liked the pictures of the food and how much they enjoy that in cookbooks.

Already looked this over a couple of times, has some great recipes that I can't wait to try. Most of the recipes are pretty simple and don't take a lot of ingredients that you don't keep on hand. I think it is one of the best books I've bought that has a lot of recipes I can use for everyday.

Loving this book and it was cheaper on-line than in the gift shops. Love the spiral binding to help it hold up and the thicker pages that could hold up to a quick, light wiping off should you accidentally splatter while cooking.

I have been collecting Gooseberry Patch cookbooks for six years, and the "101" books are my favorites. I like the colorful pictures of the finished dishes. The breakfast and brunch cookbook is full of new and delicious recipes. I've only tried a couple, as I only recently purchased the book, but my family was delighted with the new dishes. So happy to add this one to my shelf!

After seeing this book advertised at a local Cracker Barrel, I wanted to see if it was available in digital form. (I already have too many regular books) This book has some great easy recipes that I'm sure my daughters would love as well.

I have yet to have time to prepare any of these but by reading over the recipes they seem simple and most all ingredients I already have in my pantry. Looking forward to the holidays to make some of them!

this is a good book for breakfast and brunch as it has a great idea for all of that so be sure to get this

A great book with lots of yummy sounding recipes which do not require complex preparation. I especially like the simplified recipe for pork scrapple. It calls for the use of pork tenderloin .
