Customer Reviews

I just got this cookbook and I'm in love! Last year, we bought the Hamilton Beach Dual Breakfast Sandwich Maker:Â Hamilton Beach 25490A Dual Breakfast Sandwich MakerÂ because we both like to make sandwiches in the morning. And because we both like kitchen gadgets. But after a couple months, we fell into a rut of the same egg and cheese sandwiches every day. BoringÃ¢Â|.This cookbook is full of creative, fun and easy breakfast sandwich recipes. We have already used it to make 6 breakfast sandwiches:1. Asiago, Asparagus & Arugula Breakfast Sandwich: Probably our favorite. Tastes like something from a fancy schmancy cafÃ©. The spicy arugula is great with the salty asiago. I just used fresh baby asparagus instead of the roasted asparagus it calls for and it was still delish.2. Dutch Baby: This isnÃ¢Ât a breakfast sandwich Ã¢Â itÃ¢Âs actually a recipe for making a dutch baby pancake from scratch in your Hamilton Beach Breakfast Sandwich Maker! So cool Ã¢Â I had no idea I could do that. Really great. We had it with raspberry jelly instead of maple syrup. Yum.3. French Croissant Delight: There are only 4 ingredients in this recipe but it is FANTASTIC. You mix egg and banana together to make like a little banana crepe, top it with Nutella, all on a mini croissant. Nom nom nom, get in my belly!4. Breakfast Rueben Sandwich: So creative! I would never have thought of this for breakfast. ItÃ¢Âs basically like a tiny Ruben sandwich with a fried egg on top. As recommended, we bought a 4Ã¢Â round pastry cutter to trim the bread and it works perfectly in this sandwich.5. Cheesy Spicy Turkey Biscuit Sandwich: I used leftover Pillsbury Biscuits from dinner the night before. Watch out - with pepper jack cheese & jalepeno cream cheese, this one is definitely spicy!6. Chicken & Waffle Sandwich: I know, sounds like a crazy combination. But we tried it when we visited Los Angeles and trust me itÃ¢Âs FANTASTIC. Salty chicken with sweet maple syrup, crunchy and stick and YUM. I used leftover fried chicken, as the recipe suggested. I really love that this cookbook suggests creative ways to use dinner leftovers for breakfast sandwiches. ItÃ¢Âs also great that most of the recipes are 5 ingredients or less, and really do take just a few minutes to make in the morning. Perfect for when we are in a hurry to get to work. We decided to cook our way through this cookbook. With 101 recipes, and 5 days in a week, I guess weÃ¢Âll be finishedÃ¢Â sometime next year?! LOL.

I love this cookbook! It has lots of great breakfast sandwich recipes Ã¢Â easy sandwiches, sandwiches for kids, classic bacon-egg-cheese type recipes, recipes for kids, for vegetarians, etc. Most of the recipes focus on eggy breakfast sandwiches, but there are also some recipes for lunch/dinner and dessert .PROS:Delicious recipes!Specially made for theÂ Hamilton Beach 25475A Breakfast Sandwich MakerFriendly introductionBig, easy to read typeSimple, clear directionsTONS

of recipes to choose fromMost of the recipes have less than 5 ingredientsCONS: The only con I would list is that some of the recipes get a little exotic in their ingredients. Personally, I get bored by the same breakfast every day and I have access to great grocery stores with a wide variety of ingredients. But I would imagine that people in smaller towns might have a hard time finding some of the ingredients. That said, there are over 100 recipes, so there's plenty of useful stuff in here, even without that! I love my Hamilton Beach Breakfast Sandwich Maker and this cookbook gives me lots of ways to use it. I highly recommend this book.

WOW! You need to check out this cook book! Down Home Biscuit & Bacon Sandwich, A delicious juicy flavor! Couldn't taste any more delicious nor could it be any easier. This cookbook gives the best directions. Better than the Hamilton Beach Maker itself for sure, so simple and So Delicious!! Chocolate Strawberry French Toast Sandwich sounds good doesn't it. Try it because it's EVEN BETTER than its delicious name! Ecstasy!! I think I'll try it with Raspberry next time. I love how versatile these recipes are.

If you have a Hamilton Beach Breakfast Sandwich Maker, you NEED this book. It is very well written and the recipes are easy to follow. I am sending a copy to my son in college. I think any empty-nester would also find great use for this (adding it to my holiday gift lists). My favorite sandwich so far is the Cranberry & Turkey Bacon Breakfast Muffin. My husband requests the Meat Lovers Biscuit every weekend, but we love that we can use simple recipes like Basic French Toast when the grandkids visit. This book is a keeper!

I've been considering buying a sandwich maker, but didn't think they were versatile enough. After reading all of the recipes in this book, my mind is blown. I want to try them all! The steps in this book are extremely well-described and seem easy to follow. And I especially enjoy and appreciate the tips along with each recipe. Yum!

I loved this cookbook. The recipes are creative and varied. Breakfast can get monotonous and boring as you are trying to eat as you are dashing out the door. This cookbook offers a wide selection of choices with a variety of ingredients. All ingredients should be available at any local market. These recipes are perfect for both me and my eight year old. There is something in here for everyone. The recipes are quick and easy and will get you out the door with a delicious, filling breakfast to start your day. I would recommend this cookbook to any working mom trying to make

her life a little bit easier.

Very easy to follow. Great tips on how to use your sandwich maker (including how to clean). So many varieties of sandwich I could eat a different sandwich every day for a year.

Author blows me away with real, tried and true recipes used! Love the descriptions and clarity of the recipes! Images tie it together nicely too! Lovin' the ease of these recipes! NOM NOM!
