Art Of The Pie: A Practical Guide To Homemade Crusts, Fillings, And Life

Synopsis

Making pie can be as easy as pie, with recipes and lessons from a renowned teacher of the craft. I've been baking pies my entire life, but making them with Kate was a liberating experience. With a pioneer spirit, she throws the textbook out the window and comes up with absolutely perfect crust filled with fruit that actually sings to you. "Ruth Reichl Pie-making should be simple and fun. Kate McDermott has taught this and made pies with thousands of people across the country at her Pie Camps. Her confidence comes through in every recipe, and will inspire readers to don an apron, grab a rolling pin, and get cooking. (The stunning photographs in this book won't hurt either.) Over the years, McDermott developed more than a dozen crusts, half of which are gluten-free, and in this book she gives detailed instructions for making, rolling, and baking crusts. A pie needs filling, too, and she does not neglect a single detail when describing her ingredients, methods, and tricks for making the filling and finishing off the pie. Recipes include: Blackberry Pie for Julia Child, The Best Peach Pie in the World, Old-Fashioned Rhubarb Pie, and Art of the Pie. Art of the Pie is more than a cookbook. Kate's rules extend well beyond pie baking: keep everything chilled, respect the boundaries, and remember to vent. This is a book to keep close at hand. 75 color photographs.

Book Information

Hardcover: 352 pages

Publisher: Countryman Press; 1 edition (October 4, 2016)

Language: English

ISBN-10: 1581573278

ISBN-13: 978-1581573275

Product Dimensions: 8.5 x 1.3 x 10.3 inches
