The Auntie Em's Cookbook: A Musician's Guide To Breakfast And Brunch

Synopsis

Theresa Wahl, chef-owner of L.A. retro-hip hotspot Auntie Em's Kitchen, showcases her simple and beloved recipes for breakfast, brunch, and dessert in a cookbook that celebrates seasonal and local flavors. Drawing inspiration from her past as a punk guitarist, Wahl pairs her recipes with a playlist, sharing her belief that food tastes better when there's music in the kitchen. Rich with photography by David Kiang, The Auntie Em's Cookbook takes American comfort food into the modern era with a relaxed style and a commitment to deep flavor. Theresa Wahl is the chef and owner of Auntie Em's Kitchen, a café and catering business in L.A.'s Eagle Rock neighborhood. In the 1990s, she was a singer and guitarist for the Red Aunts, an all-female punk band that toured the United States and Europe for a decade. Her travels inspired a love of hearty American home cooking, and when she retired from performing, she started catering gigs for bands and their crews. This led to the 2002 opening of her café, where she quickly developed a following for her comfort food and baked goods with a punk-rock edge. Wahl lives in Los Angeles, California, with two dogs and several chickens.
