# How To Manage Your Home Without Losing Your Mind: Dealing With Your House's Dirty Little Secrets

## Synopsis

Bring your home out of the mess itâ™s in and learn how to keep it under control. âœThe dirty little secret about most organizing advice is that itâ™s written by organized people,â• says blogger, speaker, and decluttering expert Dana K. White. âœBut thatâ™s not how my brain works. Iâ™m lost on page three.â• Dana blogs at A Slob Comes Clean, chronicling her successes and failures with her self-described âœdeslobification process.â• In the beginning she used the name âœNonyâ• (short for aNONYmous), because she was sharing her deep, dark, slob secret. Now she has truly come cleanâ”with not only her real name but the strategies she has developed, tested, and proved in her own home. She has learned what it takes to bring a home out of Disaster Status, which habits make the biggest and most lasting impact, and how to keep clutter under control. In *How to Manage Your Home Without Losing Your Mind*, Dana explains that cleaning your house is not a onetime project but a series of ongoing premade decisions. Her reality-based cleaning and organizing techniques debunk the biggest housekeeping fantasies and help readers learn what really works. Chapter titles include *My First Step: Giving Up on the Fantasy The Worst Thing About the Best Way Just Tell Me What to Do Conquering Laundry Get Dinner on the Table Putting an End to the Never-Ending Weekly Cleaning Tasks Donâ™t Get Organized How to Declutter Without Making a Bigger Mess Fighting the Perceived Value Battle But Will It Last?* With a huge helping of empathy and humor, Dana provides a step-by-step process with strategies for getting rid of enormous amounts of stuff in as little time (and with as little emotional drama) as possible.
