The collaborative effort of quilting experts Lynda Milligan and Nancy Smith, *Plentiful Possibilities: A Timeless Treasury Of 16 Terrific Quilts*, offers quilting enthusiasts with easy-to-follow patterns for the creation of sixteen eye-catching homemade quilts. Diagrams, traceable patterns, carefully

worded, presented, and illustrated instructions make *Plentiful Possibilities* a wonderfully useful, accessible, and creative source book for novice and experienced quilt makers everywhere.

There are many great ideas in this book. This is a book that you will pull out many times from your collection. I'm in the middle of one of the quilts: Best Buds. Some of the parts are finished, others started, some not even begun. It is great for using up your scraps and also incorporating new materials from the quilt shop. I highly recommend this book. Have a ball with it - the crazier your combination of materials, the better.

This book arrived in a timely manner and in perfect condition. And I couldn't be more pleased with the book itself. Absolutely beautiful quilts and easy to follow, step-by-step instructions. It is now one of my favorite!

A book of great ideas and patterns, well worth having!

This book make a great addition to any quilter book collection. I like every quilt in it and already made two of them.....happy quilting
