Seasonal Table Toppers: 20 Quick-to-Stitch Projects (Annie's Sewing)

Synopsis

Traditional and whimsical designs to fit any taste are featured in this book of table décor for any time of year. Table toppers are a great way to make everyday meals feel like special occasions, and the themed sets in this guide reflect the four seasons plus Christmas through 20 easy-to-make projects, including table runners, placemats, napkin rings, coasters, and other accessories. The patterns make use of fat quarters, small pieces of fabric stash, and appliqué accents and can be customized to match any color scheme. Photographs and diagrams abound in this helpful how-to for beginners and experienced sewers alike.

I bought this book because I wanted to learn to make the 3D poinsettia flowers but what I really like is how it shows you how to use the same ideas in more than one way. For instance the placemats can be turned into table runners, and the poinsettia pattern can also make sunflowers. There are fold out instructions pages, and detailed sewing instructions. I love the coaster ideas and even an inexperienced sewer could easily make them; the table runner on the cover would be a project for a more experienced one so there is definitely a range of interesting projects included in this pattern book.

Love this book, already started making some and have bought material for more. Shipment was

quick and everything arrived within a week, and everything in good condition. I highly suggest this book.

I really like this quick and easy book. It is great for all seasons. Very easy to follow directions. You can change the patterns to other seasons as well.

This book isn't very big but it is packed with a lot of different patterns for table toppers. I was very pleased with this book.

Love it! I will be making gifts for friends & family from this book. Lots of good ideas that can be made as is or adapted to what you like.

This is a beautiful book with a variety of projects for different seasons/holidays. I almost don't want to tear the patterns out. The photography is wonderful and the directions are clear. I have not made anything from the book yet. I'm reserving it for winter time for week-end projects.

Full of great pattern ideas for all occasions and Holidays. Easy to understand, and pictures for great choices for everyone.

This book is very colorful and inspirational. I look at every day and try to decide which one to start on and what colors to use. Probably will use the color in the pictures in the book. Very good job of presentation of every picture. None of the instructions are too easy or too difficult. Love this book!
