Modern Fishing Lure Collectibles, Vol. 2: Identification & Value Guide

Synopsis

This book covers modern fishing reels and rods and details some of the major changes brought about by the introduction of fiberglass rods. It catalogs miscellaneous fishing collectibles and emphasizes the importance of catalogs, magazines, wholesale house catalogs, decoys, bobbers/floats, bait buckets, split shot tins, leader packs, advertising items, and other significant relics from 1940 until the early 1980s. It covers more than 140 companies not in volume 1, and includes illustrations of the important Shakespeare rods, catalog reprints of other rods, collectible pack rods from the sixties and seventies, Heddon rods of the modern era, and even a field find tackle box from the modern era which will be of serious interest to collectors. **AUTHORBIO:** Russell E. Lewis is the author of *Modern Fishing Lure Collectibles*, Volume 1 and *Modern Fishing Lure Collectibles*, Volume 2, as well as co-author of *Captain John's Fishing Tackle Price Guide*. Having collected fishing lures since 1950, he and his wife run a business, *Heritage Tackle 'n Tiques*, where he deals fishing lures online and at antique shows. **REVIEW:** This book is the second from author Russell E. Lewis, and is filled with full color photographs of modern fishing lures and tackle. A must for lure lovers.

Book Information

Customer Reviews

I bought the entire series and they would have been better to cover each maker verses time period.

Because of the structure its hard to focus on a manufacturer. You just get a little of each in each book.

Please refer to the over review. The same thing goes for this volume. I have run across men who would have given me absolutely nothing for the lures. I know better now and thank goodness Mr. Garrett at our school warned me not to take the lures to an auction held in Burleson. He saved me much heartache, especially now that I have the four volumes on modern fishing lures.

Got this as a gift for a family member who is a lure collector. This has everything a lure collector would want to know in it.
