Lancaster County Cookbook

Synopsis

The residents of Lancaster County, Pennsylvania, are famous for their Pennsylvania Dutch cooking. With Dijon Herb Chicken Salad, Dream Street Scalloped Potatoes, Garden Vegetable Quiche, Apple Dumplings, Whoopie Pies, Chocolate Bash, and Shoofly Pie, this cookbook overflows with their old-time, traditional recipes. Stoltzfus is author of the very popular Favorite Recipes from Quilters. Cooks from every corner of Lancaster County and the various sections of Lancaster City submitted their favorite family recipes to be included in this timeless collection. From their kitchens comes this compilation, filled with recipes which are easy to prepare and pleasant to the palate. A collection of essays also profiles particular Lancaster County villages and several sections of Lancaster City. Sells well in regional sections of bookstores, coast to coast. Skyhorse Publishing, along our Good Books and Arcade imprints, is proud to publish a broad range of cookbooks, including books on juicing, grilling, baking, frying, home brewing and winemaking, slow cookers, and cast iron cooking. We've been successful with books on gluten-free cooking, vegetarian and vegan cooking, paleo, raw foods, and more. Our list includes French cooking, Swedish cooking, Austrian and German cooking, Cajun cooking, as well as books on jerky, canning and preserving, peanut butter, meatballs, oil and vinegar, bone broth, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Customer Reviews

Louis Stotzfus was also involved in putting together a A Quilter's Cookbook which is equally as good as this one. I bought the Quilter's cookbook first and was so impressed that when I found out about the Lancaster County Cookbook I had to have it in my library at once. This purchase is for a friend. The recipes in both books use what most people have in their kitchen on a weekly basis and the family loves them. Each have their own favorite. The Chocolate Bash is to die for!! This book is like having a 1000 grandma's bring their best recipe to your pot luck! Roxane Hepker, Milton, WA

This is the kind of cookbook that friends and neighbors create, friendly, unintimidating and comfortable. The recipes are for everyday, hearty food. Nothing is fancy or modified for our health-conscious times nor does it contain recipes to challenge jaded tastes. They are the recipes our mothers grandmothers exchanged and that we loved as kids. Definitely worth having!

Having grown up in Lancaster County, this book is a lifeline to home. All my favorites-the soft sugar cookies the Amish make for market, funnel cake, beef barbeque (the kind you get at festivals), chicken corn soup, shoofly pie. My childhood all wrapped up in one great cookbook. I and my children have used mine until it's about to fall apart. So, if you grew up in Lancaster (and didn't learn to cook before you left), or if you've ever visited Lancaster and want to enjoy the great food again, this is the cookbook you need. Unlike my Grandmother, they didn't leave anything out of the recipes. Think I'll whip up a batch of sand tarts. Just thinking about this book makes me hungry!

This cookbook is full of wholesome cooking and baking recipes. I wanted to find authentic recipes from the area and found this cookbook when visiting New Holland, PA in April. After buying it and bringing it home, my daughter-in-law wanted a copy after looking through it. I found it on and ordered it for her - she has since cooked and baked many recipes in the book! Simple but good food from the Amish and Mennonite communities.

I bought this book for my sister, we have looked over some of the recipes and they look delicious! We have recently tasted Amish/Mennonite food for the first time and think it is at least 3 times better tasting than any other food. Now we are going to make some of it.

I LOVE THIS COOKBOOK. HAS EASY, WONDERFUL, TASTY RECIPES!!!! ITS NOT LIKE ONE OF THOSE COOKBOOKS THAT CALLS FOR INGREDIENTS THAT YOU CAN NEVER FIND IN

THE STORE. EVERYDAY RECIPES FOR EVERYDAY PEOPLE, WITH EVERYDAY INGREDIENTS!!!!

This is one of, if not the best cookbooks I've ever purchased! The recipes are simply, delicious and inexpensive to make. I feel experienced cooks as well as newbies could successfully prepare the recipes listed in the book. There are far too many recipes in the book to list, but I've prepared a dozen of them so far and they all have been delicious. The ingredients are not exotic, you don't need expensive kitchen gadgets to prepare the recipes, and they are all practical enough to prepare on a weeknight.

All the recipes are Amish / Mennonite. These people are fantastic cooks who use basic ingredients turning out food that's awesome. Easy to read and understand recipes.
