The Tasha Tudor Cookbook: Recipes And Reminiscences From Corgi Cottage

Synopsis

Tasha Tudor, beloved children's book author and illustrator, has at last written her long-awaited cookbook. In words and the enchanting watercolors for which she is renowned, she shares the recipes she has gathered over a lifetime - some that have been passed down for generations and some that she created specially for her children and grandchildren. These traditional recipes recall an old-fashioned New England lifestyle and summon up Tasha Tudor's own warm family memories, which she shares here with her readers. Tasha Tudor's recipe collection includes summery picnic salads, hearty winter soups, and breakfast treats like Great-Grandmother Tudor's Cornbread, Blueberry Coffee Cake, and Butterscotch Rolls. Her main dishes - Roast Chicken with tarragon and sage, vegetable-laden Beef Stew, and Salmon served with homegrown peas - are the prelude to her irresistibly rich desserts, including a luscious dark chocolate torte and English Toffee Bars. At Tasha Tudor's Corgi Cottage, Christmas celebrations are the high point of the year, filled with the kind of food and wholesome fun that harks back to an earlier time. Her recipes bring family and friends together to make her well-known gingerbread Christmas tree ornaments (which have been displayed on the White House tree), and such seasonal favorites as thumb cookies and pulled taffy for wrapping as gifts or for putting in paper cornucopias to hang on the tree. All of these authentic, tried-and-true recipes are presented for the first time with some fifty original watercolor and pen-and-ink drawings in this beguiling keepsake kitchen companion.

Customer Reviews

This is, undoubtedly, my favorite cookbook! I've used most of the receipts in it many times with great results. I also enjoy just READING it, especially on a cold winter day when it's snowing outside. Tasha's stories and drawings make this a special treat for me to read and use!

I really do like the Tasha Tudor Cookbook. The recipes are very good and the illustrations make it special. This is a collectible. I am a cookbook collector and this is one I cherish. I have many of Tasha Tudor books. They are all wonderful.

What a great little cookbook! It will bring back lots of childhood memories. There are lots of everyday cooking, without all the extra frills. I just love this wonderful cookbook.

This is a fascinating lady and I have tried some of the recipes. All have been well liked by everyone who has eaten them. I would recommend this book as well as any other for adults and children alike. Her videos take you to another time and place - try them.

When I pick up a book by Tasha Tudor, I am transported to another way of living...a better way. I love her recipe for potato salad, for cheesy toasts, and ofcourse the Christmas treats which she suggests one serves in beautiful paper cornucopias. Equally as enjoyable as the recipes are the wonderful illustrations.

Tasha Tudor's cookbook makes you long for the past when your grandmother taught you how to make the perfect pie crust. Ms. Tudor's own illustrations add to the charm of a book that reminds you of happy times spent in the kitchen. Her recipes and personal stories encourage you recreate that time with your own children and grandchildren.

As a Tasha Tudor fan, I loved this little cookbook and Tasha's personal comments that accompany each recipe. No gourmet food, just simple homey dishes. Of course, Tasha's illustrations are throughout the book.

The service from was great and the book arrived safe and sound here in Australia. I have already made some of the "receipts" and they are just good ol' fashioned home cooking and most of them, so easy. If you are a fan of this wonderful woman, then this cookbook is a must have. Just to read her introduction, you feel privileged to come into the intimate home life of Tasha Tudor. If you miss

her as much as I do; then this book will comfort the heart and the soul. Her beautiful illustrations enhance the charm of this book. This truly is a book written and illustrated by the great Tasha Tudor and one will not be disappointed with it's purchase. Caroline Szabo
