What NOT To Write: Real Essays, Real Scores, Real Feedback (California Edition) (LawTutors California Bar Exam Essay Books)

Synopsis

No lecture on technique or the substantive law prepares you for writing bar exam essays like reading and critiquing actual scored essays both the good essays and the bad ones. All of the sample essays in WHAT NOT TO WRITE have been written by bar candidates. Nothing, not even grammar or spelling, has been changed. Through step-by-step instruction, examples, and critiques, WHAT NOT TO WRITE gives you insight into and practice writing consistently strong bar exam answers in the allotted amount of time. Authored by the founder and the vice president of LawTutors, a highly respected bar exam preparation program, WHAT NOT TO WRITE features:

- Real essay answers to real bar exam questions, including PT questions
- Step-by-step guidance on how to successfully write the answer to a bar exam essay or PT question
- Opportunities to practice writing bar exam answers in essay form
- Exercises in critiquing sample essays both good and bad ones
- Self-critiquing exercises
- The authors critical analysis of both highscoring and low-scoring essays
- Exam-taking advice and suggestions
- Rules of law are signposted and explained where applicable"

Customer Reviews

For those applicants with limited bar prep funds (who can't even afford BarEssays.com), this book is a godsend. This book emphasizes the right way to start essays and the correct way to analyze and write bar essays. The authors' comments regarding the importance of precise rule statements

prompted me to go to the Cal Bar website and examine its acceptable essay answers ----very few of the Cal Bar answers contained the long Barbri-like rule statements that I had been trying to memorize. So, I revised my strategy. By learning what not to write, I was driven to learn what to write to pass the bar.

A good supplemental resource, but how accurate is the scoring? For an experiment, I submitted a "perfect" Bar/Bri answer to both Bar/Bri and a private tutoring resource to be named later. BarBri said 65 (based on their model answer) and the 3rd party (I will only identify them as being located on Willshire Blvd in LA) said that the "perfect" answer was a 55. Therefore, don't get discouraged--you're probably doing better than you think and the outside companies are just out to make a buck telling you that you're worse than you really are....Caveat Emptor.....Work hard my friends....there are many of us out there in the same spot....

There is a website - BarEssays.com - that provides basically the same type of material as this book (real examples of prior high and low scoring California Bar Exam essays with commentary), but BarEssays provides thousands of these essays instead of the limited amount in this book.
