Peterson's ACT Prep Guide 2016

Synopsis

Peterson's ACT® Prep Guide offers all of the information students need to prepare well and score high on 2016's ACT, including thorough subject matter reviews and practice questions for each question type. Students will benefit from expert advice, strategies, and test-taking tips for comprehensive preparation. All new for 2016, the strategy content and practice tests reflect all the latest changes to the ACT. Inside this new book, students will find: ACT® test-taking strategies, plus other important details about the ACT®—learn how and when to register for the ACT, how the test is scored, what you need to know on test day, and how to stay calm throughout the process. 6 practice tests—4 in print and 2 online—all with detailed answer explanations. A companion mobile app that offers short, interactive exercises, making studying fun anywhere and allowing students to take their prep with them on the go. Thorough review of all test sections: English, Science, Reading Comprehension, Mathematics, and Writing, featuring expert strategies, numerous practice questions with detailed answer explanations, and sample essays. Helpful study plans, perfect for the student who has a lot of time to prepare, as well as those who've procrastinated—each student can find his or her pathway to success.

Customer Reviews

So far so good! I ordered both "The Real ACT Prep Guide", and this guide. Only this one just came out and is actually updated. So here's a perspective from someone who was using the infamous the re-published "REAL"ACT Prep Guide. Yes, this has the updated writing section practice with some

awesome tips and analysis. Now the ACT is a serious thing, but even so the authors have mixed in a good amount of humor that really makes the studying interesting!

My son has been taking practice ACT tests from the books I purchased for him. These books include Kaplan, Manhattan Prep, Barron's, McGraw Hill, Wiley and others. This Peterson's ACT Prep Guide is not good and very frustrating to use. Each test seems to be written by a completely different person with no one checking to make sure the tests are similar to the real ACT tests. I spent about an hour comparing this book's questions to the other guides and the Peterson's questions are very poorly written. I would not recommend buying this book. In fact, this book is so bad I am thinking about returning it.

Met expectations for the most part, but realize that 2 of the 6 practice tests are online
