Synopsis

#Me Coloring Book(AGES 14-100) **#Me Coloring Book** is for every single person out there who can find pens, pencils, markers or crayons! One of the most enchanting, most innovative Coloring Book Artists in the world, Cynthia Van Edwards has done it again. In this incredible new Coloring book, the 5th in the **•** series, you will get to work with images and illustrations that look and feel 3-dimensional. The new coloring pages in this focus on your own words, thoughts, ideas and quotes. We left the images complex enough to inspire your creativity as a colorist, but patterned to allow the message to shine through! What makes this book especially different from **#Love** , **#Beautiful** and **#Flowers** is that Cynthia focuses on various backgrounds that flow with long lines and smooth curves and patterns. The pages in this book can be colored with pens, pencils, markers or even pastels and chalk! **#Me** celebrates **•** your own words, taken completely from the Facebook Group and Cynthia's twisted mind! With a mixture of **•** (black), white, and Wireframe backgrounds, your senses will be challenged as you put pen or pencil to work adding life and magic to these pages. This new series is going to be something special to any Colorist and we can't wait to see the beauty you create! Now, let's see what you're made of! **•** **•** **•** **#Me Coloring Book** This book has been a collaborative effort between artists, designers, and psychologists. This book not only soothes you, but also increases mental stimulation. The pictures and designs may seem random at first glance, but they're anything but. We hope to give the designer (you) a very introspective and mind expanding experience. PLEASE: Take pictures of your finished coloring designs and post them to CYNTHIA VAN EDWARDS's Facebook page, add the hashtag **#MeColoringBook** to your post. I am loving Cynthia's # hashtag series of books. The amount of excellent work and inspirational and different variety she is releasing is amazing in such a short time. I might just go broke keeping up with her amount of work. This book is so different from her other books and I love the quotes of such a wide variety of fun, inspirational and snarky quotes, it just keeps me laughing and happy. This is a book for teens to any age adults of a variety of skill levels. Must have for anyone. I have 2 pictures colored and can't wait to color more. Love, love #Me

I am truly enjoying this #Series of coloring books by Cynthia Van Edwards. This newest book in the series, #Me #Coloring Book is just as much fun as Cynthia's previous books. Throughout the book are beautiful designs with favorite quotes by Cynthia and some of her #ColoringTeam. This is a fun coloring book with many beautiful & challenging designs. I know you will love it! Colored pictures to be added soon.

Another good book done by Cynthia. It's the same style as the early books in the #seires. The pages are basic and are all quotes submitted by the Cynthia's Coloring Team. If you like to color words and patterns this is a good book for you. A few pages aren't patterns and more detailed but not many. This book also includes bound pages of other books in the #series which is really nice so you can see if you like them or not. I really enjoyed that. I'd say this is an overall good book for ALL AGES of all skill level.

I am been enjoying the #series of Cynthia's books. This has got me coloring pages I wouldn't normally color. These books are so much fun to color. There is always something that catches my eye and say color me when going through one of her books. I have had the pleasure of being on Cynthia's coloring team so I receive advance copies of the coloring pages and/or books.
