# Spinning With A Drop Spindle

## Synopsis

From wool fleece to yarn, this book will help you find and choose your fleece, wash your fleece, and get your wool ready for spinning. It will tell you how to find (or make) a drop spindle, and then spin your yarn. Learn about the magic triangle and how to ply yarn.

Product Dimensions: 8.6 x 5.8 x 0.4 inches

Shipping Weight: 1.2 pounds (View shipping rates and policies)

Average Customer Review: 4.0 out of 5 starsÂ Â See all reviewsÂ (8 customer reviews)

Best Sellers Rank: #352,815 in Books (See Top 100 in Books) #23 inÂ Books > Crafts, Hobbies & Home > Crafts & Hobbies > Needlecrafts & Textile Crafts > Spinning

## Customer Reviews

This pamphlet isn't worth the price. It should be a free ebook that leads to a more detailed or extended version. I am very disappointed with this and I am sorry I bought it. I thought it would have been more useful. There aren't enough pages to give a good explanation of what is involved.

This was exactly what I needed. Written clearly and easy to follow. The only thing that I didn't expect is that it is a computer copied saddle stapled phamlet. I must have missed that in the description. Over all I am very happy with the order.

Tiny book, but it had just the information I was looking for. I am a medieval history recreator (SCA), and give demonstrations on drop spindle spinning, weaving, embroidery, limnering, and illumination. If you want to learn this antique art form, buy the book. You will find that it helps you relax and is meditative.

This is a very, very basic book. A little too basic for what I wanted which is the reason for the 4 star instead of 5 stars. Also some of the instructions assume that you have more knowledge than you might actually have. I'll keep it to help those who need a basic start in spinning.
