## Customer Reviews

I got this because my son and his family have one and really enjoy making smoothies. So far I agree. It is so easy to throw fruit and some leafy greens (I have used spinach and kale) in and make great smoothies. My 21 month old grandson really loves smoothies. They are a really a healthy snack or a low cal meal.

Love it, wish I had got it sooner!

Such a wonderful book, full of Skinny soups. What a great way to expand my healthy food choices.

Soup never tasted so good as these recipes!

Very easy to follow and read. Lots of simple recipes in there that are simple to use. I highly recommend this book for anyone who wants to lose weight. Can't wait to start my journey weigh loss program!!

A very helpful guide for those who like soup the easy way.

Like any cookbook, it's most probable that you won't like all the recipes. Found several great recipes in this recipe book.

So so alot of unnecessary info and hard to find ingredients
