The Venison Cookbook: Venison Dishes From Fast To Fancy

Synopsis

Among hunters and non-hunters alike, venison has found a hungry audience. It's a healthy, low-fat alternative to beef, with only 3.6 grams of fat per 4-ounce serving. Collected here are 150 delicious venison recipes that run the gamut from down-home favorites to gourmet delights. Learn to make tasty dishes, such as: venison carpaccio with mustard sauce; mushrooms with venison stuffing; venison filet wellington; wild game lasagna italiano; deer camp casserole; venison meatball stew; and many more. With color photographs, stories, and tips from the author, The Venison Cookbook is both an entertaining read and an indispensable reference tool for any hunter's kitchen.
